

Asilbek Khamidullayev

My name is Bek, and I'm a product designer with three years of experience. I don't believe in design for the sake of design —I believe in solutions that bring in profit. What I'm most passionate about in my work is micro-interactions.

Clique.app

Jan, 2025 – Currently working

- Improved interface contrast ratio from 1.95 (WCAG Fail) to 11.72 (AAA)
- Built a Design system
- Micro animation for icons and state across the app
